

FIG. 1A is a block diagram of a system 100. The system 100 includes a communications network 116, a server system 118, and three user devices 112a, 112b, and 112c. Each user device 112a, 112b, and 112c includes a user 112a, 112b, or 112c and a printer 114a, 114b, or 114c. The server system 118 includes a web server 120, a PSD pool 124, and two databases 130 and 132. The web server 120 is connected to the communications network 116 and the PSD pool 124. The PSD pool 124 is connected to the database 130. The web server 120 is also connected to the database 132. The user devices 112a, 112b, and 112c are connected to the communications network 116. The user device 112a is also connected to a scale 136.
